Floating of public bonds to raise funds for projects

4427. DR. BAPU KALDATE: Will the Minister of PLANNING AND PROGRAMME IMPLEMENTATION be pleased to state:

(a) what is the Central allocation for the implementation of the irrigation projects in Krishna Valley, backward regions of Vidarbha and Marathwada, the chronically drought prone areas as against the State Governments demand during the Seventh Five-Year Plan period;

(b) what is the estimated spill over cost of these projects and the proposed allocation in the Eighth Five Year Plan period in respect of each of the irrigation projects;

(c) whether Central Government propose to allow the State Government to float public bonds to raise funds to complete the projects early; and

(d) if not, what are the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF PLANNING AND PROGRAMME IMPLEMENTATION (SHRI H. R. BHARDWAJ): (a) The central assistance to the State is provided in the form of Block Loans and Block Grants and is not tied to any particular project/programme/region.

(b) The estimated spillover cost of all ongoing major and medium irrigation projects in Maharashtra at the beginning of the Eighth Plan (1992-97) is Rs. 4774 crores. The allocation of funds to these projects will depend upon the availability of resources and the sectoral priority to be attached for irrigation sector by the State Government in their Eighth Plan which is yet to be finalised.

(c) and (d) As the total investible resources for the market borrowing programme, both for the Central and State Governments, is limited, there is no scope for allowing any additional
